

THE NEBRASKA VETERINARY OBSTETRICAL STRAP

NEVOS

Nebraska Veterinary Obstetrical Strap to help you assist the unborn calf. This strap does not hurt as much as the old type chain. You cannot break a leg with this strap. The material has a government guarantee to pull 4,000 pounds. For cleaning purposes put into a bucket of cold water and use some type of disinfectant. The strap is easy to work with and will stay soft for many usings.

Three sizes available
Now 36" Chain Insert

30" and 60"
